

Harbor Slip Rental Rates for Citizens of Edenton & Chowan County Adopted 2010, Amended 2016

When Edenton Harbor was built in 2000, the intent was for the slips to be rented by transient boaters. The premise for the harbor was to provide a safe haven for transient boaters, and encourage more boaters to visit Edenton. The policy states that boaters can rent a slip for up to seven days, once a month. We charge transient boaters \$1.00 per foot of the boat, and offer the first two are nights free, maximum stay is seven days per month.

Residents of Edenton and Chowan County are offered the opportunity to rent slips during the peak season (April 15 thru November 15) at a rate lower than what we charge transient boaters. Call it the "hometown discount." The hometown discount rate is 50 cents per foot, first two nights free, maximum stay is seven days per month. We block out local rentals on holidays (Memorial Day weekend, Fourth of July, Labor Day weekend).

Off Season rental rates for Edenton and Chowan County citizens (November 15 through April 15) is as follows The Town will allow Edenton/Chowan County boaters who have valid, monthly slip rental agreements with Edenton Marina or Wharf Landing to lease slip at Edenton Harbor for \$10 per month during the off-season. Boaters must submit to the Town of Edenton proof of payment to Edenton Marina or Wharf Landing of monthly slip rent for the month intended to dock at Edenton Harbor. We will limit the number of slips rented in the off season, and reserve at least three slips for the occasional off-season transient boater. We will develop a lottery system, if necessary. The monthly off-season slip rate is \$10 per month.

The Harbor has several designated tie up spots. These spots will be numbered and designated, and will not have amenities available. There will be no charge to tie up in these spots, and it will be based on "first come, first serve", no reservation system will be put in place.
