

Hyper-Reach

Sign Up to receive emergency phone calls from the Town of Edenton! *HYPER-REACH*

Hyper-Reach is an emergency notification system, a way for the Town of Edenton and Chowan County to send your voice, a text message, a TTY (teletype for the hearing impaired) message, or an alarm message to residents with just one phone call. If you would like to be included on this list, please go to this page and sign up!
