

We welcome your visit to our Town Harbor. While at the harbor, you can dock your power or sailboat for a few hours or up to seven days while you visit and enjoy our town. The harbor is within walking distance of many historical homes, restaurants, and shops. Information is available below outlining the rules, regulations, and rates for using the docks.

Visiting boaters who have reserved a slip are welcome to use our bathrooms and showers that we have designated for boaters. The harbormaster on duty can usually provide you with the key code to enter into these facilities either in-person or via email upon reservation. Call the harbor for more info!

To view live webcams of the harbor, including of the docking slips (for boater security), visit our [Webcams](#) page.

You may use the [Online Harbor Reservation Form](#) to reserve a docking slip in the Harbor.

We also provide [rental kayaks and canoes](#) so folks can explore our harbor and neighboring creeks.

The [Albemarle Loop](#) (AL) provides the boating public with an exciting opportunity to cruise and explore the protected waters of historic Albemarle Sound. Free slip rentals offer access to many adventures, entertainment, sporting events and various cultural activities.
