

There are numerous boards and commissions within both Edenton and Chowan County that seek to oversee different aspects of governance and municipal functions. These boards and committees act in coordination with town and county staff, as well as our town council and county commissioners when making decisions or recommendations.

For an application to join a board or commission, download an application from the menu pane to the left.

For more information about various boards and commissions that exist in Edenton, select the board of your choosing in the menu pane to the left.
