

HOMETOWN DISCOUNT POLICY FOR EDENTON HARBOR BOAT SLIPS

Effective immediately, residents of Edenton and Chowan County are offered the opportunity to rent boat slips during the peak season, at a rate lower than what we charge transient boaters. Call it the "Hometown Discount." The Hometown Discount will be \$.50 cents per foot, the first two nights are free, the maximum stay is seven days per month. We will require a provision that would not allow locals to rental slips on holidays (Memorial Day weekend, Fourth of July, Labor Day weekend)

We now will also offer a monthly rate for locals in the off-season (*November 15 through April 15*). We will limit the number of slips rented in the off season, and reserve at least three slips for the occasional off-season transient boater. We will develop a lottery system, if necessary. The monthly off-season slip rate is \$50 per month.

We also will now establish designated tie up spots. These spots will be numbered and designated, and will not have amenities available. There will be no charge to tie up in these spots, and it will be based on "first come, first serve", no reservation system will be put in place.
