

# Rate PH1

## **Town of Edenton**

### **Public Housing Authority Rate PH1**

Effective July 1, 2023

#### **Applicability**

This schedule is applicable for the supply of alternating current electricity to any Housing Authority project created under Chapter 157 of the General Statutes of North Carolina for all purposes. Electric space heating equipment will be permanently installed.

#### **Monthly Rate**

- A. Basic Customer Charge: \$30.00 per billing month
- B. Energy Charge: All kWh \$0.1150 per kWh
- C. Minimum charge shall not be less than the sum of A & B above.
- D. Facilities Charge for ALL NEW AND REPLACED PORPRITARY EQUIPMENT

#### **Meter Reading**

Meters may be read in units of 10 kWh and bills rendered accordingly.

#### **Equipment Specifications**

The type, design, and size of tank, the size and number of heater units, and method of water heater operation are subject to approval by the Town.

The type, design, capacity, method of operation, and installation of the electric space heating equipment are subject to approval by the Town. The electric space heating design and installation shall conform to good engineering practice and provide for satisfactory operation and comfort.

#### **Term of Contract**

The term of contract for the purchase of electricity under this schedule shall be such as may be mutually agreed upon, but not less than one year.

#### **Sales tax**

North Carolina sales tax of 7% shall be added to the bills as determined above.
