

Rate RS1 & RS2

Town of Edenton

Residential Rate RS1 (Inside Town Limits)

Residential Rate RS2 (Outside Town Limits)

Effective July 1, 2023

Applicability

This schedule is applicable to the separately metered and billed supply of alternating current electricity to any customer for use in and about (a) single-family residence, flat, or apartment, or (b) a combination farm and one occupied single-family residence, flat, or apartment, or (c) a private residence used as a boarding and/or rooming house with no more than one cooking installation nor more than ten bedrooms.

A combination residence and farm, having more than one single-family residence, flat or apartment, served electricity through a single meter, that was being billed under this schedule prior to August 1, 1971, may continue to be supplied under this schedule provided each such dwelling unit is occupied by the owner or by a tenant working on the farm. Such multiple residence farms connected on or after August 1, 1971, shall not be serviced under this schedule.

This schedule is not applicable to (a) individual motors rated over 15 HP, (b) commercial use as in hotels, public inns, motels, auto courts, tourist courts, tourist camps, or trailer camps, or (c) separately metered service to accessory building or equipment on residential property that are not themselves intended or suitable for residence.
