

Temporary Power Boards Application

Needing a temporary power board for an event? Request one here.

We have our temporary power board form now built into the website, so you can submit requests online and have them delivered directly to the Electric Department. **However, you will still need to provide payment for your form to be valid.**

Payment can be dropped off at the Electric Department (105 W. Freemason Street) between 7 a.m. and 3 p.m., with checks payable to **Town of Edenton** (memo: power boards). Cash and cards are also accepted, but you will need to visit Town Hall (400 S. Broad Street) for card payments.

The PDF form of this form, as usual, is still available, and can be found [here](#) or in our [forms library](#). This PDF must be printed, filled out, and delivered to the Electric Department.

For any questions, please contact the Electric Department at (252) 482-4144.
