

## 2022 COUNTY WIDE REAPPRAISAL UPDATE!

The Chowan County Tax Department continues to perform in the field reviews for our upcoming 2022 Countywide general reappraisal.

To date, reappraisal staff have visited approximately 1300 parcels in the Northernmost part of Chowan County. This includes areas north of Center Hill Rd, east of 32 and north of Green Rd (see shaded part of map below).

Reappraisal staff will continue to work south and will be in the field daily (M-F, 8-5pm) until each property has been visited. We expect this to take another 10-12 months to complete.

Our reappraisal staff will have Chowan County Tax Office magnets on their cars, yellow reappraisal vests as well as Chowan County ID badges for identification. They will be knocking on every door and speaking to homeowners who may be home as well as measuring & photographing each structure on the property to ensure our records are as accurate as possible. Each property visited will have a red reappraisal door hanger left at the residence to ensure you know we have already visited your property.

An email address has been set up specifically for reappraisal questions. Property owners may email any questions or concerns to [reappraisal@chowan.nc.gov](mailto:reappraisal@chowan.nc.gov) or call our office at (252)482-8486 (option 3).

I will continue to provide updates on the 2022 County-wide Reappraisal as the project continues.

Melissa Radke  
Tax Administrator
